

**17 September 2009**

**TO: All Enderun Students**

FROM; James D. Clarkson, Director, Enderun Colleges Honors Program

**SUBJECT; An Invitation to Excellence**

Now that the Mid-Term examinations are over and the grades known we would like to further extend our invitation to all Enderun students to consider taking part in a selective Honors Program.

All **Second, Third, and Fourth year students** who meet the initial criteria (all students who have been on the Dean's List for any two or more consecutive terms) are automatically eligible. All **First year students** who have done well on the Mid-Terms and have a good scholastic background may be eligible on an individual basis.

If you think you are qualified and would like additional challenge, recognition, and hard work, with an occasional free meal, come talk with me or one of your professors about what you might do to take part in an Honors Program. Please do this by Friday, 25 September.

“To become educated” is an active form, not a passive one. Come give it a shot. What's to lose?
